You can be a Student Pollworker if you are a high school junior or senior (at least sixteen years old) with a grade point average of at least 2.5.

¿Se habla español?

한국어를 하십니까?

Bạn có nói tiếng Việt?

You can really help your community if you speak Spanish, Korean or Vietnamese fluently.

WHAT?

On Election Day, student pollworkers serve as regular pollworkers - checking voter registration, distributing ballots, and showing voters how the voting machine works.

HOW?

The City provides a **mandatory** training class that you will attend to learn what you need to know to serve as a pollworker. To be a student pollworker, contact your teacher, school official, or visit votesantaclarita.com for an application. For further information, call: **(661) 255-4391**

WHEN?

Student pollworkers are needed for the following Election Day:

Tuesday, April 8, 2014

Past student pollworkers have stated that despite the long day (6:30 a.m. until around 8:30 p.m.), ***"It was a great experience!"***

WHY?

Here are some of the many reasons why being a student pollworker is a good idea:

- Earn community service credits toward graduation and extra credit in class.
- Looks great on your job and college applications.
- Attend training and work the entire day, and you will be paid **\$105**.

Many former Student Pollworkers have gone on to do great things. Use this experience as a springboard toward your future success.
